Tiaro Bypass miles away

The Queensland and Federal Labor Governments have finally confirmed that the much-needed four lane Tiaro bypass will not be prioritised until at least 2026-27 or beyond.

"The latest funding profile Indicates the timing for completion of this new, vital nine kilometre corridor has already slipped out by at least a year," Mr O'Brien said.

"The Australian Government report confirms that more than half of the Australian Government's \$268.8 million contribution to the project's total \$336 million budget will not be spent and our community's campaign to get this bypass done as soon as possible is being ignored by State and Federal Labor Governments." - Llew O'Brien

Hall Roof and Walls Up

The weather boards are on Gundiah Memorial Hall thanks to builders Jeff and Chris and lots of volunteer hours from the local community!

The building has been reroofed with guttering in progress. All bolts and fastenings have been donated by Maryborough Bolts.

If you can't physically help, consider a cash donation for any item, like heritage doors or windows, fretwork, lighting, or signage. Or, consider organising a fund-raising event for the community and hall! Contact any of the members to find out how.

Gootchie QCWA Gossip

February 2023 - At the end of January, 4x QCWA members helped with the "Take a Break" free Sausage Sizzle, served over 200 people returning from holidays on the Bruce Highway at Tiaro Memorial Hall. The children enjoyed speaking to the local Police and each were given a travel backpack with things to keep them occupied. These breaks have become popular with families at the beginning and end of the holidays, so hopefully we can save lives on the road as a number said they appreciated having a break.

FYI, our Tiaro CWA Units have never been vacant since the first 2 duplex was built in 1992 and the newer ones finished in 2016, in fact we have a waiting list.

On March 31st the Gootchie Girls will be holding our **International Luncheon** where you can sample food from Trinidad & Tobago, as well, we will be having our popular Tombola and finals of the QCWA Cooking,

Knitting & Crochet, Floral Art competitions. It will be a 'full on' day, so do come along to our Rooms on Gootchie Road and enjoy a day of fun and laughter. It's just \$12 for Lunch. (50c for entry to competitions.) All welcome.

At Gympie Bunnings, Sunday April 2, you will find us manning the Sausage Sizzle. We quite enjoy our Sizzle days and it definitely helps to put money into our bank account!

Sewing Twosome. Thank you to Karen and Jean who visit the Petrie Gardens Retirement home each month and now they have taken on doing small sewing /mending jobs for the residents, as some do not have relatives close by.

Are You New? If you are new to the area, please feel free to call Lyn for further information or to join us for International Day on March 31st!
